PLEASE NOTE.

TERMS.—To Avoid Delay or Misunderstanding, First Orders must be accompanied by satisfactory business reference or Cheque.

A Discount of $2\frac{1}{2}$ per cent. will be allowed off Accounts if paid within 30 days, except those items specially marked net, or if remittance is received with order a Discount of $3\frac{3}{4}$ per cent. can be deducted.

In this List all boards under 1 inch thick are quoted surface measurements. 1 inch thick and over are reduced to the 1 inch or ordinary superficial measurements, and dressed stuff is sold by understood trade sizes and not by the finished sizes.

Timber if dressed one side finishes $\frac{1}{8}$ inch less than normal size, and if dressed two sides $\frac{1}{4}$ inch less.

Ordered joinery work finishes $\frac{1}{4}$ inch under specified sizes unless special arrangement is made.

Re-sawn timber will be less the saw-cut.

When ordering, give shortest lengths to avoid waste, and avoid giving fixed lengths, as far as practicable.
